

Mission Statement
of the
Elmhurst Chamber of Commerce & Industry

The Elmhurst Chamber of Commerce & Industry promotes an environment that creates the success of local businesses and our community.

Goals and Objectives
of the
Elmhurst Chamber of Commerce & Industry

The Elmhurst Chamber of Commerce & Industry achieves its mission through:

Networking and Referral

We publicize, promote and refer our member businesses to our community and to one another through ongoing programs and special activities.

Business Promotion

We provide community projects and events which showcase member businesses and link them to the community through their involvement.

Governmental Affairs

We represent our member businesses' concerns and interests before local, state, and federal government by providing information, communication and coordinating action on their behalf.

Business Education

We provide educational opportunities for our member businesses that challenge and equip them for improvement, growth and greater success.

Leadership Building

We provide an example of strong community leadership by demonstrating loyalty, integrity and professionalism in every facet of our organization.
